

WGA Board of Directors Call for Nominations

The Wisconsin Geothermal Association (WGA) will be holding an election for its board of directors in conjunction with the 2022 Annual Conference which will be held Tuesday, March 1 and Wednesday, March 2. The meeting will be held at the Evergreen Resort & Conference Center in Wisconsin Dells.

The WGA Board of Directors consists of nine (9) directors that serve three-year terms. At each Annual Meeting, members are asked to elect three (3) Directors from the list of those nominated. Nominees for the WGA Board of Directors must be employed by a member company of the WGA as of the date of the election.

Members may nominate themselves or nominate another person (with that person's permission) for consideration as a potential Board member. It is helpful, but not required, that a nominee be present at the Annual Meeting to say a few words in support of their nomination/election.
